Color-Paste A

Pigment dispersions for the paper industry

Color-Paste A – the best choice of pigment dispersions for paper applications.

Main advantages

- Excellent lightfastness
- Intense brilliant colours
- High colour retention due to excellent adhesion to the cellulose fibre
- Clear waste water
- High chroma of pigments
- Can be pumped and dosed on most industry-standard systems
- Recommended for paper mass and/or size press
- Compliant with Blue Angel, EU Ecolabel, Nordic Swan (depending on product)
- Food contact compliancy (depending on product)
